Bounty Hunter Program

WANTED New Attendees for AnCon 2015

Help us promote AnCon and earn \$5 cash for every new attendee that you get to preregister.

Bounties are earned on all adult full weekend player badges, judge badges, and child 9-12 full weekend badges.

The attendee must have not attended AnCon since its inception in 2007, and the attendee and the person collecting the bounty must be pre-registered for the show before the show begins.

There is no limit to the number of bounties you can collect. In fact, you could earn additional benefits if you are the largest bounty hunter for the year.

Complete this form and turn it in when you come to the show and pick up your badge.

Remember: You and the bounties must be registered by May 14th.!

Please fill out the information completely and legibly. ALL information is required.
